Who's Hot & Who's Not Within Tallahassee

The top two neighborhoods (based upon the number of homes sold this year) are scrapping it out to see who will be on top this year, and right now Killearn Estates leads all others, barely ahead of Killearn Lakes.

Southwood trails in third place, followed by "everybody else." The top three neighborhoods are definitely far more active than everybody else.

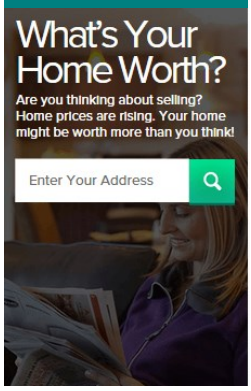

Home sales across all of Tallahassee are up a whopping 19.6%, and many of these top neighborhoods are reaping the benefits of an invigorated buyer pool.

When look across the top ten in the graph above, only Camelot Park stands out as a new face among so many familiar ones. Camelot Park is having a banner year,

We try to publish new neighborhood reports for the top 30 communities on a quarterly basis, and these reports are a great place for you to find current trends for unit sales, average prices, and average home values.
